

WOLD ACADEMY – ADMISSIONS POLICY 2019 – 2020

Arrangements for applications for places in Reception at WOLD ACADEMY will be made in accordance with co-ordinated admission arrangements; parents resident in Hull can apply online at:

http://www.hullcc.gov.uk/portal/page?_pageid=221,184404&_dad=portal&_schema=PORTAL

Parents resident in other areas must apply through their home local authority (LA). WOLD ACADEMY will use Hull's timetable published online for these applications and Hull will make the offers of places as required by the School Admissions Code.

Published Admission Number (PAN)

The PAN for Reception is 90. If there are fewer applicants than places available all applicants will be admitted.

Special Educational Needs

Any child with a Statement of Special Educational Needs or Education, Health and Care Plan that names the academy will be admitted.

Oversubscription Criteria

If there are more applications than places available we will apply the oversubscription criteria listed below:

1. Looked after children and previously looked after children. A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).

2. Being resident in the catchment area of the school as denoted by the LA's map, which can be found at:

http://www.hullcc.gov.uk/portal/page?_pageid=221,184404&_dad=portal&_schema=PORTAL

3. A child with a sibling on roll at the time of application. Siblings include a brother or sister who share the same parents; a half-brother, half-sister or legally adopted child living at the same address; a child looked after by a local authority placed in a foster family with other school age children; a stepchild or children who are not related but live as a family unit, where parents both live at the same address as the child.

4. The distance from the child's permanent home address to the school. Priority will be given to the child living nearest the school. Distances are measured using the post office address point of the home to the post office address point of the main school gate and using Hull's computerised distance measuring software. Where a child lives normally during the school week with more than one parent at different addresses, the permanent home address for the purposes of school admissions will be the one where the child spends the majority of school nights Monday–Friday.

Tie-break

If the distance criterion is not sufficient to distinguish between two or more applicants for the last remaining place then random allocation will be used. This process will be supervised by somebody independent of the school.

Multiple Births

In the case of twins or other multiple births, where there is only one place available in the school, both will be considered together as one application. The school will be allowed to go above its admission number by one.

Fraudulent or Misleading Applications

As an admission authority we have the right to investigate any concerns we may have about your application and to withdraw the offer of a place if we consider there is evidence that you have made a fraudulent claim or provided misleading information, for example a false address was given which denied a place to a child with a stronger claim. We reserve the right to check any address and other information provided so we can apply the oversubscription criteria accurately and fairly.

Fair Access Protocol

Local Authorities are required to have Fair Access Protocols in order to make sure that unplaced, vulnerable children are offered a place at a suitable school as quickly as possible. The school will comply with Hull's Fair Access Protocol. This may mean admitting children above the PAN.

Deferred Entry to School

In accordance with the requirements of the Admissions Code, if your child has been offered a place:-

- a) your child is entitled to a full-time place in the September following their fourth birthday;
- b) you can defer the date your child is admitted to the school until later in the school year but not beyond the point at which your child reaches compulsory school age and not beyond the beginning of the final term of the school year for which it was made; and
- c) if you wish, your child may attend part-time until later in the school year but not beyond the point at which your child reaches compulsory school age.

Admission of Children outside their Normal Age Group

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. It is important for parents to note that they will have responsibility for providing evidence to support their request
