

Attendance Award

The class attendance winner for March was:

★ 3Bu with 98.33% ★
Well Done!

Whole school attendance was 96.0%.

This is an increase on the previous month.

406 pupils achieved 100% attendance during March.

Well done to all of those pupils!

Book Fair

Thank you to everyone who has visited the Book Fair. Both children and adults have enjoyed looking at the wide range of books that are on sale. If you have made a purchase, we hope that you enjoy your new book.

Safety on School Grounds Reminder

For the safety of everyone on the school grounds, please be aware that ball games, scooters and bikes are not allowed on the playground before school starts or during the day. Balls will be provided by the school for use during the day. Thank you for your continued support.

Cones

You will have noticed that we have been putting cones across the school entrance at the beginning and end of the day. This has been well received as it ensures that our children are safe from cars parking / turning in the drive. However we have noticed an increase in cars blocking the drives of our nearest neighbours. Please help us to maintain positive relationships with Wold Road residents by parking safely. Thank you for your cooperation.

Buzz Club

Buzz Club will be open during the summer break from Thursday 26th July to Friday 24th August. Please be aware that the Club will be closed for the final week of the school break (27th to 31st August) so that cleaning and maintenance work can be carried out. The Club will be open on Monday 3rd and Tuesday 4th September, the teacher training days. If you would like to book a place for your child, please contact the school office.

Please note that Buzz Club will be closed over the Christmas break.

Special May Menu

On the 23rd May we will be putting on a special 'Merry May Celebration' lunch. Please look out for the menu which will include burgers, pasta bake, quiche and a wide range of dessert options.

Teaching Assistant of the Year Award

We are thrilled that one of our excellent teaching assistants has been recognised for the fabulous work she does in our Foundation Stage unit by our Academy Trust. Mrs Kift was invited to attend a special award evening where it was announced that she had won the award for best primary teaching assistant in the whole of the DRET Academy Trust. The Academy Trust works with 34 primary and secondary schools across the country, so this really is a fantastic achievement. Many parents, children and staff have already congratulated Mrs Kift and we are sure that the Wold community will be delighted by this news. Well done Mrs Kift, we are really proud of you!

Dinostar

Year 3 have had an exciting glimpse into the world of dinosaurs through taking part in 'Dinostar' dinosaur workshops. They had the opportunity to make rubbings from genuine fossils and learned all about the work of archaeologists and palaeontologists. The children were able to look at and touch replica and genuine dinosaur fossils and bones including the skull of a very large T-rex! In addition, children made their own plaster casts of fossils. A great time was had by all.

Times Tables (TT) Rock Stars

On Monday 30th April, Wold launched a new and exciting initiative to help the children to master their times tables. TT Rock Stars is a fun and challenging programme that focuses on both accuracy and speed, and it can be used both in and out of school. To be a Times Table Rock Star you need to answer any multiplication fact up to 12×12 in less than 3 seconds! The goal is to be a Times Table Rock Stars after 20 weeks! On Friday 4th May, during our non-uniform 'Rock Day', children will be given a personal log in for the TT Rock Stars app and a handbook. We are looking forward to a fun, rocking day!

Science Open Afternoons

It was lovely to see so many parents and grandparents attending our science open afternoons. During the events, classes engaged in a range of science activities including: testing magnetism; designing, constructing and testing the strength of bridges; making dancing skeletons; looking at the animal kingdom and producing mobiles to show the species; creating weather vanes; separating colours using chromatography. Thank you to everyone who came along to share these activities with the children.
