

### Attendance Award

The class attendance winner for May was:

Well Done!

Whole school attendance was 93.28%.  
This is a decrease on the previous month.

**333 pupils achieved 100% attendance during May.**  
**Well done to all of those pupils!**

### Reminder for Hot, Sunny Weather

Now that the weather is starting to improve and the temperatures are increasing, please can children be encouraged to bring water bottles, and on sunny days, sun hats and sun cream to school. Studies have shown that drinking water to ensure adequate hydration helps children to concentrate and perform well during the day. Thank you.

## Wold News

### **Friday afternoon Project – music link**

On Friday 11<sup>th</sup> May, the Year 4/5 choir performed at the Albemarle Music Centre in Hull. They performed alongside other choirs including City of Hull Junior Choir, Hull Choral Union Junior Chorus, Hymers College Year 6 Choir and Kelvin Hall School. They sang 12 songs written by Errollyn Wallen and were directed by Charles MacDougall. All songs are available at: <http://www.fridayafternoonmusic.co.uk/songbank>

### **Orchestral Day**

On Friday 15<sup>th</sup> May, children who play the flute, violin and clarinet were invited to perform at the Albemarle Music Centre in the DRET Orchestral Day, with Endike Academy and Quay Academy. They performed six pieces by Sarah Watts, Movie Buster and Gangster Prankster. All children were exceptionally well behaved and gave a fantastic performance at the end to parents and carers. Well done to everyone involved.

### **James Reckitt Hull Children's Book Award 2018**

Eight Year 5 children had the opportunity to take part in the annual James Reckitt Hull Children's Book Award on Wednesday 20<sup>th</sup> June. During the day, the children heard from each of the authors, had their books signed and voted for their favourite book. The shortlisted books were:

- The Matilda Effect - Ellie Irving
- Kid Normal - Greg James & Chris Smith
- Martha Mayhem and the Witch from the Ditch - Joanne Owen
- Spy Toys - Mark Powers
- Uncle Shawn and Bill and the Almost Entirely Unplanned Adventure - A. L. Kennedy

This year's winner was The Matilda Effect by Ellie Irving. Well done to all of the children for their hard work and long hours of reading!

### **Welton Waters Visit**

A huge well done to the Year 5 children who have attended three sports talent camps at Sirius Academy throughout this year. We celebrated our achievements on Monday 25<sup>th</sup> June with a day out at Welton Waters, participating in land based team games: canoeing, raft building, gig sailing and even jumping off the jetty into the lake! The children were a credit to Wold Academy and we had a fantastic day.

### **Magical Mystery Day**

Something magical happened across the whole of Hull on Monday 18<sup>th</sup> June when the Land of Green Ginger put in another appearance and strange crates appeared in schools across the city. As part of this we had a 'Magical Mystery Day' and most of the children and staff dressed up as all things magical. When we opened the crate a special set of books were revealed which told the story of the Random Acts of Wonder that happened in the city last year. Thank you for the donations we raised £140.50 which will go towards new books.

### **Ferens Art Gallery**

Year 1 had a fantastic time last week visiting Ferens Art Gallery in Hull. We enjoyed looking at and sketching some of the art work on display. This included a painting that we have been studying in topic lessons. As part of our workshop, we learned how to draw portraits and figures. It was really useful and has helped us improve our drawing skills.

### **TT Rockstars**

The children have really embraced TT Rockstars since it was introduced last month. Children are having the opportunity to increase their 'rock speed' at school by completing paper tests to rock music and using the iPads or chromebooks to log on to their accounts. We are already seeing many children increase their times table fluency with some fantastic results. Many children are taking advantage of using the resource at home too and we would like to encourage as many children as possible to take part at home. One games takes just one minute! If your child has lost/forgotten their log in details they can request it from their teacher. Happy rocking!
