

Attendance Award

The class attendance winner for April was:

★ 3Bu with 99.68% ★
Well Done!

Whole school attendance was 95.01%.
This is a decrease on the previous month.

406 pupils achieved 100% attendance during April.
Well done to all of those pupils!

Here Comes the Sun!

Now that the weather is starting to improve and the temperatures are increasing, please can children be encouraged to bring water bottles, and on sunny days, sun hats and sun cream to school. Studies have shown that drinking water to ensure adequate hydration helps children to concentrate and perform well during the day. Thank you.

Safety on School Grounds Reminder

For the safety of everyone on the school grounds, please can all children refrain from riding scooters and bikes on the playground at the beginning and end of the school day. Thank you for your continued support.

Cones

You will have noticed that we have been putting cones across the school entrance at the beginning and end of the day. This has been well received as it ensures that our children are safe from cars parking / turning in the drive. However we have noticed an increase in cars blocking the drives of our nearest neighbours. Please help us to maintain positive relationships with Wold Road residents by parking safely. Thank you for your cooperation.

Holiday Buzz Club

Buzz Club will be open during the summer break from Thursday 26th July to Friday 24th August. Please be aware that the Club will be closed for the final week of the school break (27th to 31st August) so that cleaning and maintenance work can be carried out. The Club will be open on Monday 3rd and Tuesday 4th September, the teacher training days. If you would like to book a place for your child, please contact the school office.

Please note that Buzz Club will be closed over the Christmas break.

Well Done!

A huge well done to all of the children who have taken SATs tests during May. Staff are all very proud of the mature attitudes the children have shown during the tests.

Wold News

Sleeping with the sharks

On Friday 18th May, many children from Year 3 and Year 4 spent an exciting evening sleeping at The Deep. Pupils were treated to a guided tour of the attraction which included meeting sharks, turtles and penguins. They took part in craft workshops which included making t-shirts, badges and key rings and even got to make their very own slime! All the children had a fantastic time and were a real credit to themselves, the school and their families.

Friday Afternoon Project

Year 4 and 5 choir students recently took part in the Friday Afternoon Project on Friday 11th May at The Albemarle Music Centre. The children sang eleven songs written by Errollyn Wallen and were conducted by British tenor and amateur, Charles MacDougall. All children were impeccably behaved. We are extremely proud of them all. Well done!

Sponsored Threadathon

During the week of 21st May, The Beehive and Foundation 1 held a sponsored 'Threadathon'. Parents and carers stayed at the start of each session and the children were all supported to take part in as many different threading, cutting and fine motor skill activities as they could. As well as being fun and helping to raise money, these activities were all designed to help strengthen the children's dexterity, fine motor control and hand to eye coordination. These skills will help children to be brilliant writers as they develop. All children had a sponsor form and the money raised has gone towards the DRET Inspiration Fund. If anyone is still collecting their sponsor money please send it in to school ASAP. Well done to everyone involved!

Royal Wedding Celebration

On Friday 18th May, the whole school was invited to take part in a special 'Royal Wedding' day with a street party style picnic lunch that was held on the playground. For the special day, the school grounds were decorated with red, white and blue bunting and the children were asked to wear a splash of red so that the blue and white uniforms matched the colours of the Union Jack. Mrs Rothery and her team created fifteen amazing cakes decorated with flowers and pictures of Meghan Markel and Prince Harry. Every child in the school took a yummy piece of 'wedding cake' home in a special crown shaped box. The day was a lovely way to join in the Royal Wedding celebrations. Hull Daily Mail came along to see the event. Their report can be seen at:

Year 6 Post-SATs Activities

On Thursday 17th May, after the Key Stage 2 SATs had finished, Year 6 were given a treat to thank them for all of their hard work during the week – a visit from an ice cream van. This was followed by a sports activity day on Friday 18th run by sports specialists from the Academy Trust. The children had a great day working as teams, taking part in athletics and playing tennis and table tennis. We would like to thank Mr Dennett and Mr Green for working with the children and sharing their expertise.
